

April 28, 2023

Dear Pastor:

It is with great pleasure to recommend to you Sarah Goodman. She is on her way to the Amazon River Basin in Brazil and will be working with a church planting team to spread the gospel. She will be using her medical knowledge and nursing skills to reach people with their physical needs with a goal of reaching their greater spiritual need.

I am quite aware of how much information passes through your hands but this is not something to brush aside. I must say that with this material, you have a gold mine in your hand. This young lady is a priceless gem and our church body absolutely adores her. She is determined to get to the field, devoted to her Savior and a delight to be around. Sarah has a passion for souls and will be a wonderful addition to your roster of missionaries.

As her sending pastor, I would ask you to prayerfully consider support for Sarah. If you have any questions, I am a phone call away. Feel free to reach me at 239.671.2752 or via email: [j.boutchia@calbaptist.net](mailto:j.boutchia@calbaptist.net).

Your friend for the cause of missions,

John M. Boutchia III  
Pastor of Calvary Baptist Church  
Englewood, FL
